

MAG. FLORIAN RUDIG | MC, showcaller, producer, TV host

Florian Rudig is an international announcer at major sports and business events and the host of live radio, television and internet broadcasts. When he's not in front of the camera, he works as a showcaller, producer and livestream director of large-scale events. He is one of the most sought-after live speakers in Austria and has been the voice of numerous World and European championships and Olympic Games. Combining expert knowledge with the feel for the audience, Florian draws in spectators and gets them to push the atmosphere to the next level with an exciting audio-visual show.
